### Walteria Puplis Present Yule Play at PTA Meeting

"Santa's Story," an original play, was presented by the children in Miss Mary Barrett's first grade at the regular Walteria PTA meeting for December. An original tape recording furnished accompaniment for depiction of the "Manger Scene" and the "Visit from St. Nick" along with songs by the children. The playlet also was staged for the entire school.

The amount of \$100 was pledged to the Torrance Council PTA dental clinic fund toward the culmination of the proposed dental clinic to serve school children of the Torrance Unified School District and thus furnish another means for constant dental health. The money will be raised by special projects.

Mrs. Carl Cramer, Torrance Educational Advisory Committee representative, reported on the last meeting and urged people who were not already registered to do so by December 31 so they may be eligible to vote at the proposed school bond election in February. The rapid increase in enrollment creates a necessity for the district's educational program to have additional funds.

Mrs. Glen Hardcastle, president, announced that children were not exchanging gifts in their rooms but that gifts of canned goods put under their room tree by them would be distributed to children in hospitals or to needy families in the community. A Christmas tree was furnished each class by the PTA and the trees were decorated by the children.

A proposed nutrition class, conducted by Adele Davis, noted nutritionist, will start January 10. This class will be sponsored by the Torrance Council PTA in addition with our dental health program. For information and preliminary enrollment contact the local president at Frontier 5-4557.

Justice Baker, fifth grade presented an inspirational message. Girls from the newly formed Girl Scout troop presented the colors. Mothers from Mrs. G. Boyer's and Mrs. F. Porter's second grades were hostesses during the social hour.

Arrangements were completed for delivering Yuletide remembrances to thirty women in a Harbor General Hospital ward, with Mesdames Dortha M. Roberts and Pearl Oakes in charge. Members brought canned goods for the annual distribution of Christmas baskets to needy families in the harbor area.

During the business meeting Mrs. Edith Smith Caragher, of Lomita, in suggesting worthy endeavors for 1952, admonished members to urge other citizens to vote. Mrs. Beatrice Hards, reported investigation of a YWCA project under consideration.

### REPORT ON TEAC MEET

Representing the Walteria PTA at the December meeting of the Torrance Educational Advisory Committee meeting held in Torrance were Mrs. Carl Cramer, secretary and D. Boone Kirkis, Walteria School principal.

Mrs. Cramer reported that plans for a school bond election to be held in February were discussed. The rapid growth in population in Torrance and the fact that the majority of children in these families are either at the lower grade level or pre-school age children, makes it necessary to supply additional funds for our educational program in the district.

Persons not already registered to vote are urged to do so by December 31 in order to be eligible to vote on the issue in February. Registrars servicing the Walteria and Pacific Hills area may be reached by phone. They are: H. L. Powell, Frontier 5-3235 and J. A. Beasley, Frontier 5-3066.

With an average of one room per week being enrolled throughout the district, Mrs. Cramer stated: "It is our responsibility as parents and citizens to see that these children are provided for educationally also, so don't fail to register and don't fail to vote when the time comes."

**Christmas Cheer**

What is Christmas made of? It is the fine gifts that gladden us in anticipation of their use... the festive decorations... the pleasant thought of a fine Christmas dinner...

And more. For it is the smiles. Smiles from everyone, that manifest the happiness that we feel in GIVING. It is the spiritual satisfaction that we derive from inspired church services... and the good fellowship that prevails amidst the visits of folks we know well... and not so well.

To all of you, to whom this spirit has such profound meaning... friends, neighbors, relations... and to our gallant sons, serving the cause of Liberty in far-away places, we wish the very Merriest of Holidays.
